(Only for Non Communicable Diseases)

APPLICATION FOR RESEARCH PROJECT UNDER DHR-MRU

Section A

GENERAL

1. Title of the Research Project

2. State the major discipline:

3. Name and Designation of

i) Principal Investigator & Email

ii) Co-Investigator(s) & Email

5. Duration of Research Project

i) Period which may be needed for collecting the data

ii) Period that may be required for analyzing the data

6. Amount of grant-in-aid asked for

7. Details of the grant requested

Item-Head	1st Year (in Rs)	2nd Year (in Rs)	3rd Year (in Rs)	Total (in Rs)
Consumables				
Total				

** (Only a maximum amount of Rs 1lac/year is permissible)

7. Institution and Department responsible for the research project

- i) Name Postal address
- ii) Telephone
- iii) e-mail
- iv) Fax No.

8. Institutional ethical clearance and Project approval (Necessary documents indicating institutional ethical clearance must be enclosed for research involving human subjects as also animal experiments). **Yes/No**

9. Is radio tagged material proposed to be used in the project either for clinical trials or experimental purposes? If so, clearance from Nuclear Medicine Committee, Bhabha Atomic Research Centre, Mumbai, indicating should be attached.

10. Projects involving recombinant DNA/Genetic engineering work should be examined and certificate by the Institutional Biosafety committee (IBSC) to be enclosed. Guidelines for constitution of IBSC can be obtained from Secretary, Department of Biotechnology, CGO Complex, Lodhi Road, New Delhi-110003.

11. Approval of the institutional ethics committee (IEC) should be enclosed. Guidelines for IEC for animal experiments should follow CPCSEA requirements and for human studies should follow ICMR guidelines.

12. The Institution where the study is being done should ensure that there is no financial conflict of interest by the investigators.

Signature of the:

a) Principle Investigator_____

b) Co-Investigator(s) _____

c) Head of the Department_____

**Signature of the Head of
the Institution with seal**

Date:

Section – B

DETAILS OF THE RESEARCH PROJECT

Adequate information must be furnished in a brief but self-contained manner to enable the Reassess the project.

1. Title of the project.
2. Objectives

5. Summary of the proposed research (up to 150 words) indicating overall aims of the research and importance of the research proposal. Application of the work in the context of national priorities of medical research, if any, may also be mentioned.

6. State the
 - i. Novelty of your research project (in 100 words):
 - ii. Relevance of your research project to public health (in 100 words):
 - iii. Applicability of your research project in
 - (a) Short term:
 - (b) Long term:

5. Present knowledge and relevant bibliography including full titles of articles relating to project.

6. Preliminary work already done by the Investigator(s) on this problem, e.g. selection of subjects, standardization of methods, with results, if any.

7. Links with other DHR and ICMR projects (ad-hoc, task force or collaborative).

8. List of important publications of last 5 years of the all the investigators in the relevant fields (enclose reprints, if available).

9. Detailed research plan. (give here the design of study, indicating the total number of cases/samples/animals to be studied, the mode of selection of subjects specially in experiments involving human beings, equipment and other materials to be used, methodology/techniques to be employed for evaluating the results including statistical methods any potential to obtain patents etc.) the results including statistical methods any potential to obtain patents etc.)
10. Facilities in terms of equipment, etc, available at the sponsoring institution for the proposed investigation.

11. Budget requirements (with detailed break-up and full justification):

Section – C

BIODATA OF THE INVESTIGATORS(S)

1. Name (Dr./Km./Smt./Shri) First name(s) Surname
2. Designation:
3. Complete Postal Address, Telephone Number, Fax, e-mail etc.
4. Date of Birth:
5. Educational Qualification: Degrees obtained (Begin with Bachelor's Degree)

Degree	Institution	Year	Field(s)
--------	-------------	------	----------

6. Research/ Training Experience

Duration	Institution	Particulars of work done
----------	-------------	--------------------------

-
7. Research specialization (Major scientific fields of interest)
 8. Important recent publications (last 5 years, with titles and References), including papers in Press
 9. Financial support received any funding appears
